practice  
hs and  
tions:

1. For best results print on cardstock or other heavy paper.
2. Cut the cards out on the dashed horizontal lines.
3. Laminate the cards to make them last longer.

These beginning consonant blends, digraphs and trigraphs flash cards are appropriate for kindergarten through second grade children, approximately five to seven years old.

Aligns with Common Core Standards RF.1.2b & RF.1.3a.

- Have children say the sounds to you.
- Pair off the kids in the group. Split up the cards between them as equally as possible. Have the kids practice the sounds, then switch the cards between the groups.
- Time how fast the kids can say the sounds as individuals or as a group and try to beat their times.
- Pair the kids up. Pass out an equal number of cards to each group. Have one child in each group say the sound on the card while the other child writes a word that starts with that sound. Have the players switch jobs. Compare their words. Switch the cards with another group and start all over.
