- To make instructions, follow these steps:
  1. For best results, use other heavy paper.
  2. Cut the cards out on the dashed horizontal lines.
  3. Fold along the black vertical line.
  4. Glue together using a glue stick.
  5. Laminate the cards to make them last longer.
- To use as strips instead of two sided flash cards, eliminate steps 3 & 4 above.
- Cut the words apart from the blends and use separately for matching games.

These beginning consonant blends flash cards are appropriate for kindergarten through second grade children, approximately five to seven years old. Aligns with Common Core Standards RF.1.2b & RF.1.3a.

- Have children say the sounds only.
- Have children say the sounds and read the words.
- Children can read the four words on the left, the four words on the right, the four words in the top two rows, the four words in the bottom two rows, or they can read all of the words.
- Pair off the kids in the group. Split up the cards between them as equally as possible. Have the kids practice as mentioned above, then switch the cards between the groups.
- Time how fast the kids can say the sounds as individuals or as a group and try to beat their times.
