

Matching Shapes - Colored Circles

Draw a line from a circle on the left side of the page to the matching circle on the right side of the page.

The frame contains a central watermark with the logo and text: "A WELLSPRING OF WORKSHEETS" and "FREE PREVIEW". Below the watermark, it says "Please Login or Become a Member to download the printable version of this worksheet." Surrounding the watermark are several colored circles: a large yellow circle at the top left, a small blue circle at the top right, a large red circle at the bottom left, a small orange circle at the bottom right, a medium green circle at the bottom left, and a large yellow circle at the bottom right.
