## Tracing Shapes and Drawing Shapes - Rectangles #2

Trace the rectangles. Draw some rectangles.

The tracing area contains three dashed rectangles of different orientations: a horizontal one on the left, a vertical one in the middle, and a tilted one on the right. In the center is a large watermark box with a grey border. Inside the box is the 'A Wellspring of Worksheets' logo, the text 'FREE PREVIEW' in large grey letters, and a message: 'Please Login or Become a Member to download the printable version of this worksheet.'
