

How to Read a Book - Top Left to Bottom Right of the Page

Read by following and tracing the arrows with your finger. Color.

top left

Read a book starting from the **top left** corner of the left page (●).

Read line by line, left to right, from the top of the page to the **bottom right** of the left page.

Move to the **top left** corner of the right page and read line by line, left to right, to the **bottom right** corner of the page.
